

NEOMETRO™

Neometro is Melbourne's pre-eminent architectural development group, with a twenty five year track record of delivering bespoke architectural residences. Described in Wallpaper* Magazine as 'exemplars of mixed-use development', Jeff Provan and James Tutton are dedicated to creating architectural buildings with a sense of place and belonging. Neometro have available properties in South Yarra, St Kilda and Toorak, with up-coming projects in Fitzroy and on the Mornington Peninsula.

CURRENT NEOMETRO PROJECTS

TOORAK RESIDENCES

Minutes from both Toorak and Hawksburn villages, these residences feature three bedrooms, two bathrooms, powder room, cellar, private lift and underground garaging.

True architectural homes in one of Melbourne's most appealing locations.

Located at the corner of Brookville and Fairbairn Roads Toorak.

AIRLIE BANK

www.airliebank.com.au

Located in the Royal Botanic Garden's precinct of South Yarra, these apartments continue the architectural legacy of one of Melbourne's most inspired residential areas.

Located at Airlie Bank Lane, off Walsh Street in South Yarra.

41 DARLING STREET

Two brand new bespoke town residences. Designed to maximize comfort, efficiency, low maintenance and sustainability. Further enhanced by views, high ceilings, generous proportions and an enviable position, moments from the best South Yarra has to offer.

Each residence is approx 40 squares in size and has multiple basement car parks, private lift, pool, cellar and gym.

Interiors by Neometro and Kerry Phelan Design Office. Located near the corner of Domain and Darling Streets South Yarra.

HARPER LANE
